Centre staff create miracles and fun with fundraising events

Raising awareness and funds for good causes is hard work. Centre staff are keen to volunteer their time for a cause they know all too well - our Seniors in Care. Each year staff get together to work on a fundraiser and help fund projects in the centres where they work. Committees of 10 to 12 people volunteer time and energy for a fun experience which nets a big result.

Mardi Gras at Grandview

The annual Mardi Gras was to be held in February and the program was looking mighty fine. Great jazz, great food, fantastic prizing and party atmosphere. However, this year the numbers for attendees was in a real slump. The committee stood steadfast. Nothing was getting in their way to raise funds to beautify the residents' homes. They quickly took action and turned lemons into lemonade. The event was converted into an online auction and with the auction, a couple of raffles, and some wonderful donations they raised over \$5,000! Now that's enthusiasm!

Ladies Night for Lynnwood Campus was a hit for the fourth year! The campus wide committee put together a 'swinging' dueling piano event. With support from great sponsors like Shoppers Drug Mart, NorQuest, Catholic Social Services, K-Bro and Lynnwood Auxiliary the evening was full of energy. Over 130 people joined together to celebrate women in care and women who provide care. The evening had incredible food, world famous donuts, superb silent auction items, and great commentary from MC Rob Christie. The whole idea of having fun while supporting a cause that matters was what people commented on when the evening came to a close. "Doing great things for people who need our support makes the evening all worthwhile!"

Many thanks to all the volunteers who put their time and energy into these fundraisers. And huge thanks to those who support it all!

Together we are a community that cares.
